

In Memory Of

Sandra (Wooten) Overholser

March 26, 1942 - March 27, 2021

Sandi Overholser, age 79, went to heaven on March 27, 2021, due to Covid related complications.

Sandi was born, March 26, 1942 in Hillsboro, TX and graduated from Waco High School in 1960.

She moved to Albuquerque soon after, where she met the love of her life, Donald Overholser, they married March 9, 1962 and recently celebrated 59 years together.

She loved and is loved by so many. As the undisputed matriarch, her loss will be vast. Deeply rooted in Albuquerque, she enjoyed friendships that lasted more than 60 years. Sandi will be greatly missed by all who came to know her. What great times were had! She is surely singing and leading a celebration on the other side with those that went before her.

She was preceded in death by her children, Mark and Krystene. Sandi is survived by her husband Donald; brother, Don Wooten; son, Chris and wife Keni; daughter, Lana and fiance Rod; three grandchildren Shelby, Mallory, Jasah and fiance Dominic and 2 great grandchildren, Khloe and Cassius.

She found her joy in spending time with family and friends at her favorite places, her church (Del Norte Baptist Church), Disney, her family cabin, car shows, choir, and numerous social groups. A gathering commemorating Sandi's life will be held this summer as soon as the Covid restrictions permit.
