

SPECIAL EDITION

There is so much to report after the quarterly luncheon yesterday, this calls for a Special edition.

First of all, the luncheon was a big success!! 38 folks were in attendance even though we only had one week's notice. At our 60th reunion there were 42/43 in attendance so you can see how great the turnout was. Little Red announced that he is in the process of planning a 63rd reunion that will be held in mid-October. It will only be for a meal—anything else would be up to each individual who attends to make his or her own arrangements. Details will be announced when things become more finalized as everything is in the “early, early” stage.

There are some changes of addresses that will be in the next Town Crier which will go out about July 29 or so. You will want to be sure to update your directory when you receive the info. Some Pictures of yesterday's luncheon will follow in this edition. Not all pictures that were taken can be transmitted to you. My Outlook and Spectrum are limiting me. Some graduates also requested a current list of our deceased. That will have to be sent separately. I have to be very careful that I am not deemed as SPAM.

Be aware that the Town Crier newsletter is sent out at the end of each month. If you have anything of interest, please send it to me so that I can share it with all. Remember, not everyone is on Facebook.
