

On October 10, 2023 approximately 46-50 graduates were blessed to meet and enjoy old friendships again. The graduates who attended our 63rd reunion had a wonderful time getting caught up on the events and lives of classmates. Robert Wilson did a fantastic job arranging everything, Malissa Starnes Baugh was great again in charge of our nametags and ordering our beautiful and tasty cake, and Linda Phelps McKee and Al Ctvrtlik manned the registration table. The view from the President's room at the Baylor Club in McLane stadium was most scenic and relaxing. The buffet line had to be kept to a "one-sided" line due to our walkers, etc... but hey!!! The wonderful thing is we were able to attend regardless of our situations. Many of our graduates were not able to attend because of their current health reasons.

Robert was so cute.... He informed us that he thought about dying his hair **RED** for the reunion but finally decided against it. Of course, even at age 81, he is still known as "Little Red". And....I have heard a rumor that he wants a 65th reunion. So, keep an open mind and heart to attend...when and if it becomes a reality. And stay healthy!!!

Robert was so kind and thoughtful to present me (yours truly) with a plaque and flowers for my contribution to the Waco Town Crier and other announcements that I send. I want to share with you a picture of both the plaque and flowers. Of course, the Crier would not be what it is without the participation of every one of you who sends items of interest, pictures, stories, etc. So, YOU, too, have a part in sharing the flowers with me...but I am thrilled I got to take them home and enjoy not only their beauty but also their wonderful fragrance. I was so surprised to receive this honor of recognition but also very delighted, humbled, and appreciative. Thanks to all of you who help make the Crier what it is. And, IF you have not before shared anything in the Crier with our graduates...it is **NEVER TOO LATE**. We all want to hear from you. Our class just gets closer and closer to each other the longer we are alive.

Below are some pictures that have been taken by Janie McPhail, Tommye Ruth Blair Toler, Linda McKee, and Bev Murphy Wells. A great time was experienced and we missed all of you who were unable to attend.

Our reunion cake... very good and oh, so pretty!!!
