

Thank you, Linda McKee, for all your efforts in getting our group together every quarter. I know everyone appreciates it so much!!

It was great to see everyone yesterday, June 19th - there were 23 of us! We missed seeing Robert Wilson who was unexpectedly unable to make the trip from San Antonio but I understand his area had a lot of rain yesterday, so maybe it was a blessing in disguise.

Till we meet again in 3 months...stay healthy, stay safe, and try to stay cool during our Texas summer heat.
